ABOUT US

Founder and Chairman

Shri Shiv Kumar Purva is a visionary and the man behind the establishment and phenomenal success of Purva group in the field of iron & steel business. Purva group is a professionally managed group, which established in 1993 in Bangalore to provide all types of Iron & Steel products under one roof at most competitive prices with best services.

Purva group comprises of two operating companies SHIVA FERRIC PVT LTD & PURVA METAL SECTIONS PVT LTD mfg of ERW Pipes & Tubes, with the registered office situated at No.193, SHIV-SADAN, B.narayanpura, Outer Ring Road, Bangalore – 560016 Ph 080-710 11 505

We are one of the largest dealer and Stockiest of Iron & Steel products(both in Long & Flat Product) since 1993 in Bangalore (25 years of service)

The company has a turn over exceeding INR 300 crores per annum.

Our Growth rate is around 25 to 30% PA. We have proven track record in the line of trading by meeting the needs and demands of our customer's requirements.

Our Mission :-

To provide world-class, high-quality steel

To hold the customer's interest and provide ethical and cost-effective services in the most transparent manner possible.

To provide all Iron & Steel products and services to our esteemed customers under single roof at most competitive prices.

We will be driven by our customer need and we will adapt as those needs changes.

The Company is dealing in the supplies of :-

We are distributing/dealing in all types of Iron and Steel Products like FLAT PRODUCTS- (SAIL/ESSAR/POSCO/TATA-HR/HRPO/CR/CoilSheets,Plates,CRCoils/Sheets etc), and LONG PRODUCTS (JSW/SAIL/VIZAG – TMT BARS, Beams, Channels, Angles, Bars & Rods, Pipes & Tubes Wire rods etc), and our growth is the result of developing a trusting relationship with customers along with our wide product range (Dealing in More than 400 Sizes, thickness of various Shapes).

Our USP's :-

We are stockiest as well as suppliers, hence this enables our customer to source the materials under single roof without any waiting period.

We are prompt on-time delivery, and maintaining inventory level of 5000 to 6000 tons all time. We maintain all sizes and variety of product in different grades, large enough to provide all the needs of our diversified customer base (over 1000 customers). We have our own logistic solution for prompt delivery.

Our Customer base :-

We cater to a wide spectrum of end users like Engineering Industries, Builders, Developers, Earth Moving equipment manufacturers, oil/gas Industries, distilleries, space, power, water/effluent treatment Plants, fertilizers, Sugar industries, Pharma companies, papers, electronics, Aerospace, Infrastructure projects like dams, bridges, Roads, Pipe Lines, Skyscrapers etc. With our vast client base, we assure you that your product will reach each and every segment of Industries (Tiny, Small, Micro and Medium, Large) including OEM's and end users.

Our Products :
